Professional Summary

Full Stack Jr, 5 months of experience, specialize in Node.js, React.js and Sass. I love programming, developing new ideas, making original solutions and designing with pure Sass. I believe you can always make something more powerful and greater. I also believe that there is a lot to build.

Skills

Languages: JavaScript, Python, Java, Bash

Frameworks: React, Node.js

Tools: GitHub, Figma

Databases: SQL, PostgreSQL, SQLite3

Other: Scrum, REST API's, Jwt, Tailwind Css
